

TWIST BIOSCIENCE

COME CHAT SCIENCE

With giveaway treats supplied by

T W I S T
BIOSCIENCE

JOIN US!

Date: 20th of March, 2024

Time: 10:00 AM to 2:00 PM

Location: Life & Brain Center (Geb. 76) - Foyer
and Seminarraum EG

Join us with other like-minded individuals, while enjoying tasty snacks.

During this event, you will learn about Twist's cutting-edge technology, from Genes, Oligo Pools, and Variant Libraries, to Next Generation Sequencing solutions.

You'll also have the opportunity to learn more about the NGS Core Facility and the Life & Brain NGS Lab, a Twist ProLab-certified* center, and how they work daily with scientists to boost their research.

Make sure to register yourself, seats are limited!

In collaboration with

Agenda

- 9:00 - 10:00 Arrival and Coffee, visit our booth
- 10:00 - 10:15 Welcome
- 10:15 - 10:50 Advance your research with unlimited DNA - Twist Bioscience
- 10:50 - 11:25 Unleash the power of the NGS: WGS, WES, Methylation, RNAseq - Twist Bioscience
- 11:25 - 12:00 The Next Generation Sequencing Core Facility - your local partner for omics analyses, NGS Core Facility Bonn
- 12:00 - 14:00 Next Generation Sequencing Core Facility Lab Tour, Snacks and get together

*ProLab certified laboratory: A Twist NGS ProLab can offer a lower-risk option for your lab to evaluate and incorporate new NGS workflows or enable scaling with larger or more complex sequencing studies. Each Twist NGS ProLab is certified and fully supported to run Twist Target Enrichment and Library preparation solutions, giving you confidence in obtaining high-quality sequencing data so you can focus on your research. #WeMakeDNA

At Twist Bioscience, we work in service of people who are changing the world for the better. In fields such as health care, agriculture, industrial chemicals and data storage, our unique silicon-based DNA Synthesis Platform provides precision at a scale that is otherwise unavailable to our customers.
